No problem, Alex. I'll try to practice (it's been a while) it during 2nd block. :)

Hi. i hope its not to late for you to get this. I just got Shine and Im thinking it would be great if you could do the book talk tomorrow. I think it would help people make the decision on the book and I eventually would like to do my own and I've never even seen one so if it is ok with you I'd like for you to do it.
