Hello all,

The major problem I foresee with this schedule is getting you all technology access for the week you will need it to do portfolio creation. As it stands right now, your tech needs are running right into the Elements testing window, and all computers are blacked out for two weeks. The lab will definitely be unavailable. Mrs. Barbour is calling the county office about the time frame to see whether we can squeeze out enough laptop carts for March 22, 23, 26, 27, 28.

**Mrs. Barbour**, I spoke incorrectly earlier; we will actually need 4 sets of carts, as Ms. Truitt also has a section of English IV.

I'll keep you all posted.

Yvette

I have attached the schedule for the Grad Project for this semester. Please take a look at it and let me know if anything needs to be changed before we publish it officially.

Thanks,
