Haha! Not to worry, I had plenty to keep me busy. As you can see, I'm still doing work stuff! I'll look at the site tomorrow and chat with you about it. :)

Hey Mrs. Davis,

Sorry I got so busy and forgot about trying to come see you. I did a lot of work on my own "example" site.

Can you look at it and see if this is ok and then this is what I would like for the students to have as their

"Shell" and then input their own personal info.

thanks
